

REMARKS

Claims 6-16, 19-32, 38-48, and 51-53 are presented for consideration. Claims 1-5, 17-18, 33-37, and 54-56 are canceled.

Claims 6-16, 19-32, 38-46, and 51-53 are allowed. Applicants thank the Examiner for allowance of these claims.

Claims 47 and 48 depend from allowed claim 46. Thus, Applicants respectfully put forth that claims 47 and 48 are in condition for allowance based at least on the allowability of their base claim 46.

The Specification is amended to correct typographic and grammatical errors.

No new matter is added by the above amendments.

This Response After Final Rejection is believed to place this application in condition for allowance and its entry is therefore believed proper Under 37 CFR §1.116. At the very least, however, it is believed that cancellation of Claims 1-5, 18, 33-37, 55-56 eliminates all issues relating to those claims. Accordingly, entry of this Response After Final Rejection, as an earnest attempt to advance prosecution and reduce the number of issues, is respectfully requested. Should the Examiner believe that issues remain outstanding, he is respectfully requested to contact applicants' undersigned attorney in an effort to resolve such issues and advance the case to issue.

Respectfully submitted,

/Rosalio Haro/
